**Re: Donation of Combination Tool to Meander Valley SES Unit**

On behalf of the Unit Manager and members of the Meander Valley SES Rescue Unit I would like to take this opportunity to thank you for the generous donation of \$5000 received from your organisation.

As a result of your kind donation, the unit have been able to purchase a new hydraulic Combi Tool. This tool is a combination cutter and spreader utilised for road crash rescue. This addition to our existing rescue kit greatly increases our extrication capacity, providing increased flexibility and technique.

The Meander Valley SES Unit, based in Deloraine, is one of Tasmania's busiest road crash units. Indeed, since 1985 the unit has used rescue equipment to free a total of 181 patients trapped in motor vehicles.

Your kind donation goes a long way to assisting members in their ongoing commitment to ensuring a safer Tasmania.

Once again, thank you for your generosity.

Yours sincerely

**Oliver Breeze**  
SES Regional Officer (Northern Tasmania)
